

Welcome to olomouc

GiBS 2020

Palacký University
Olomouc

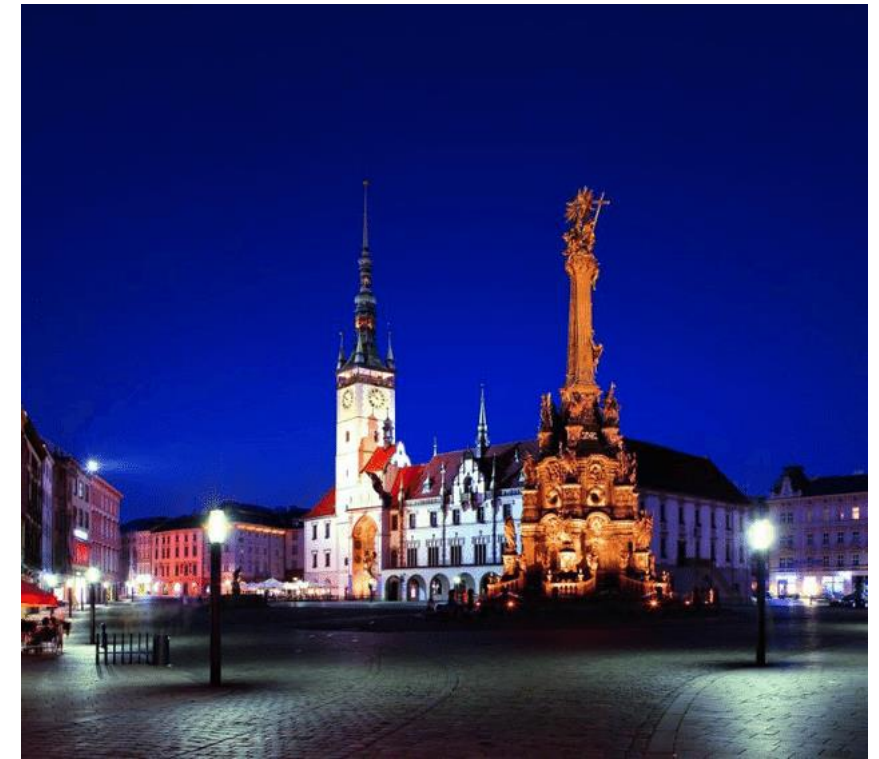

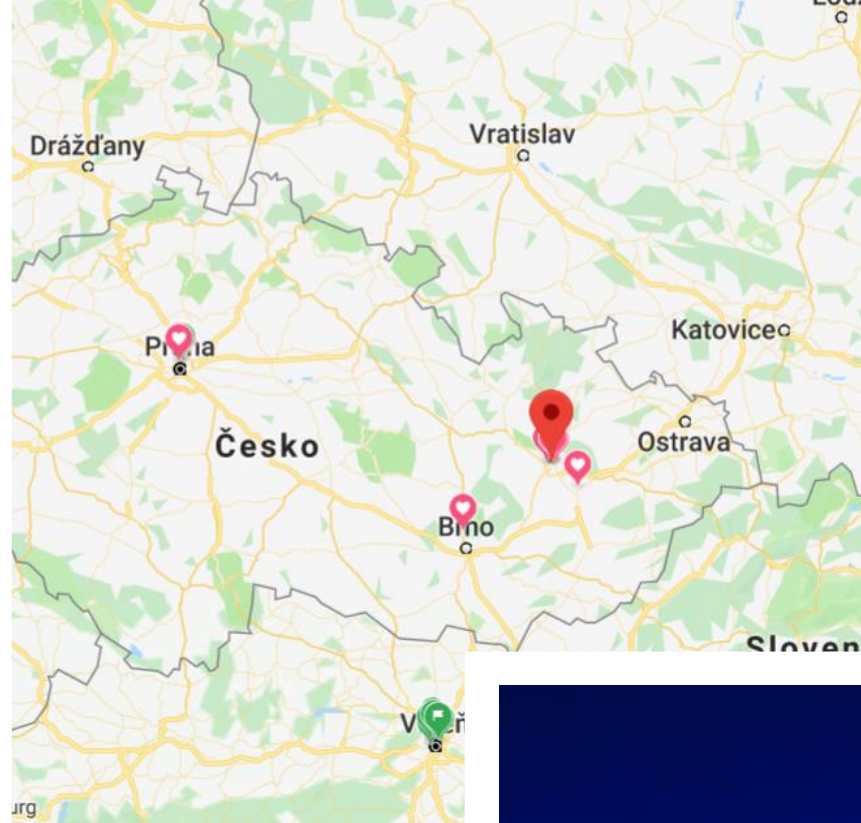

Why Olomouc

The heart of Czech Republic, the heart of Europe!

The real Czech Republic beyond Prague!

(But also called little Prague, so there's that)

Architecture,
history,
infrastructure,
future

And of
course...

Why Palacky Uni?

Crossroads

We want to bring out the formal and the quantitative with the complex subjectivity of biosemiotics together.

How to get there

- Actually easy!
- Close to a number of important airports: Prague (2:30 hours by train), Vienna (3 hours by bus), Bratislava, Krakow, Wroclaw

We hope to see
you there next
year!
