

Welcome to Olomouc

GiBS 2020

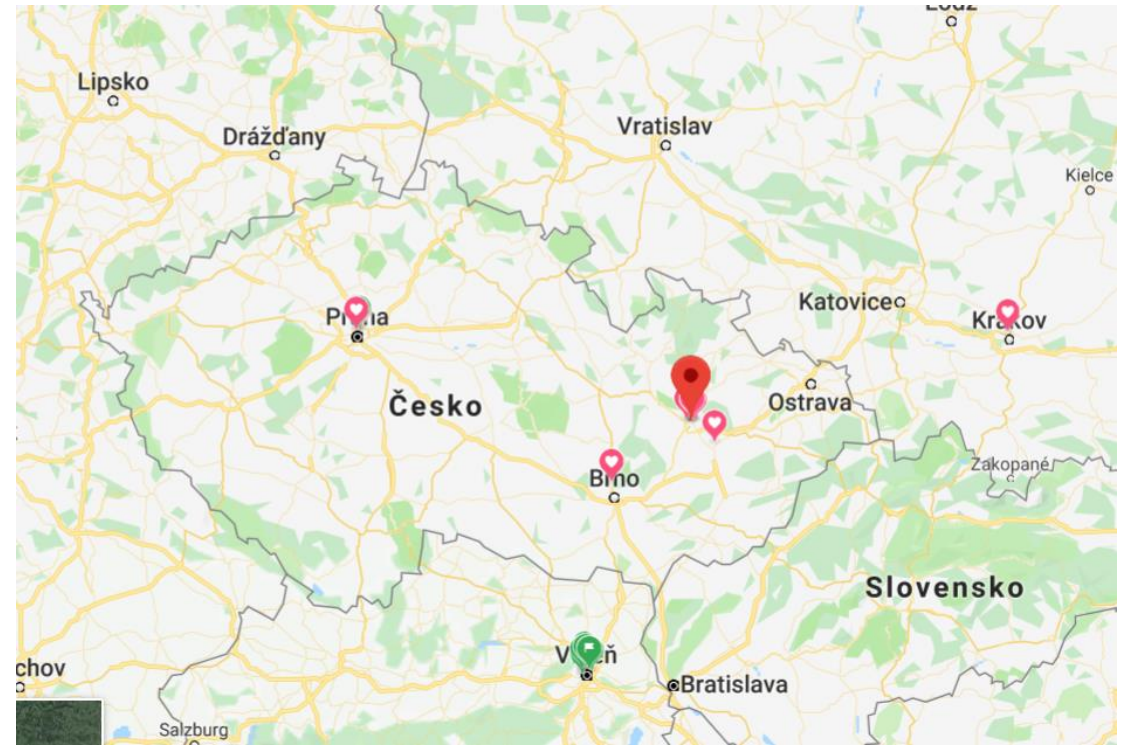

Palacký University
Olomouc

Why Olomouc

The heart of Czech Republic, the heart of Europe!

Architecture,
history,
infrastructure,
future

And of course...

Why Palacky Uni?

Crossroads

We want to bring out the formal and the quantitative with the complex subjectivity of biosemiotics together.

How to get there

- Close to a number of important airports: Prague (2:30 hours by train), Vienna (3 hours by bus), Bratislava, Krakow, Wroclaw

We hope to see
you there next
year!
